

Access \$100+ billion of business opportunities

for international development with United Nations Development Business (UNDB). Since 1978, international development institutions including the Multilateral Development Banks, inter-governmental and governmental organizations, NGOs, and other aid agencies have entrusted UNDB to publish their tenders to reach a wide and diverse pool of companies and consultants. Companies around the world rely on us to stay abreast of business opportunities in the global procurement market.

For suppliers of goods, works & services

Subscribing to the platform provides individuals and organizations with the essential information needed to identify business leads and bid successfully on international development projects.

For buyers in public & private institutions

Publishing procurement announcements with UNDB enables buyers to reach audiences in 150+ countries and regions, helping them attract diverse, competitive bids.

For business associations

Entering licensing arrangements with UNDB provides our licensees with the right to access, redistribute, and republish our data for their internal users or network of clients.
